Abigail,

Rep. Burnam asked me to forward you documents related to this bill. If you can give me a call so I can have a clearer sense of what kind of documents you're looking for, I would be happy to get you whatever I can.

Attached are:

- A summary of the bill
- Amendments that were offered in the Senate (that may help establish intent of the bill)
- A briefing book that references lots of studies and other resources
- A press release about a 2007 study by the Washington Institute on access to photo IDs in Indiana

Best regards,
Craig
